### **1 Nature of operations and seasonality**

#### **Nature of operations**

SIR Royalty Limited Partnership (the Partnership) is a limited partnership formed under the laws of the Province of Ontario, Canada.

On October 1, 2004, SIR Royalty Income Fund (the Fund) filed a final prospectus for a public offering of units of the Fund. The net proceeds of the offering to the Fund of \$51,166,670 were used by the Fund to acquire, directly, certain bank debt of SIR Corp. (the SIR Loan) and, indirectly, through SIR Holdings Trust (the Trust), all of the Ordinary LP Units of the Partnership. The Partnership owns the Canadian trademarks (the SIR Rights) formerly owned or licensed by SIR Corp. (SIR) or its subsidiaries and used in connection with the operation of the majority of SIR's restaurants in Canada (the SIR Restaurants). The Partnership has granted SIR a 99-year licence to use the SIR Rights in most of Canada in consideration for a Royalty, payable by SIR to the Partnership, equal to 6% of the revenues of the restaurants included in the Royalty Pooled Restaurants (the Licence and Royalty Agreement).

The address of the Partnership's registered office is 5360 South Service Road, Suite 200, Burlington, Ontario. The financial statements were approved by the Board of Directors of SIR GP Inc. on May 11, 2023.

#### **Seasonality**

The full-service restaurant sector of the Canadian food-service industry, in which SIR operates, experiences seasonal fluctuations in revenues. Favourable summer weather generally results in increased revenues during SIR's fourth quarter (ending the last Sunday in August) when patios can be open. Additionally, certain holidays and observances also affect dining patterns, both favourably and unfavourably. Accordingly, royalty income recognized by the Partnership will vary in conjunction with the seasonality in revenues experienced by SIR.

### **2 Basis of presentation**

The Partnership prepares its condensed interim financial statements in accordance with International Financial Reporting Standards (IFRS), applicable to the preparation of interim financial statements, including International Accounting Standard (IAS) 34, Interim Financial Reporting. The disclosures contained in these interim financial statements do not include all requirements of IFRS for annual financial statements and should be read in conjunction with the 2022 audited annual financial statements and notes thereto. The financial performance of the Partnership for the interim period is not necessarily indicative of the results that may be expected for the full year due to the seasonality of the Partnership's business.

#### **Recently adopted IFRS**

##### **IAS 1, Presentation of Financial Statements**

The narrow-scope amendment to the standard requires entities to disclose their material accounting policy information instead of significant accounting policies. The amendment is effective for annual periods beginning on or after January 1, 2023. The amendment did not have a material impact on the financial statements.

### IAS 8, Accounting Policies, Changes in Accounting Estimates and Errors

The narrow-scope amendment aims to improve accounting policy disclosures and to help distinguish between changes in accounting estimates and changes in accounting policies. The amendment is effective for annual periods beginning on or after January 1, 2023. The amendment did not have a material impact on the financial statements.

### IAS 12, Deferred Tax related to Assets and Liabilities arising from a Single Transaction

In January 2023, the IASB issued amendments to IAS 12 that aim to provide temporary relief from accounting for deferred taxes arising from the implementation of the Pillar Two model rules. The amendment is effective for annual periods beginning on or after January 1, 2023. The amendment did not have a material impact on the financial statements.

## 3 Intangible assets

	Three-month period ended March 31, 2023 \$	Year ended December 31, 2022 \$
SIR Rights – Beginning of period	92,151,695	46,699,990
Adjustment to Royalty Pooled Restaurants	1,455,725	(8,773,843)
Reversal of provision for impairment	-	54,225,548
SIR Rights – End of period	<u>93,607,420</u>	<u>92,151,695</u>

The Partnership reviews the SIR Rights for impairment or whether there is any indication that an impairment loss recognised in prior periods, for an asset other than goodwill, may no longer exist or may have decreased. If any such indication exists, the Partnership shall estimate the recoverable amount of the SIR Rights to determine whether the carrying amount of the assets may be adjusted. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use (being the present value of the expected future cash flows of the asset, as determined by management). A reversal of previous impairment losses is recognized when the recoverable amount of the SIR Rights is higher than the carrying value. Management did not note any indications of impairment.

During the year ended December 31, 2022, the Partnership recognized a recovery of \$54,225,548 to bring the asset to its historical carrying value had the impairment loss not been recognized in prior years before any adjustments to the Royalty Pooled Restaurants.

On January 1, 2023, two (January 1, 2022 – nil) new SIR Restaurants were added to Royalty Pooled Restaurants in accordance with the Partnership Agreement (Note 4). In addition, two (January 1, 2022 – five) permanently closed SIR Restaurants were removed from Royalty Pooled Restaurants. The adjustment to Royalty Pooled Restaurants was that SIR converted 90,958 Class A GP Units into Class B GP Units (January 1, 2022 – SIR converted 679,934 Class A GP Units into Class B GP Units) on January 1, 2023, increasing the value of the SIR Rights by \$1,455,725 (January 1, 2022 - \$8,100,078 reduction in value of the SIR Rights). On January 1 of each year, Class B GP Units are converted into Class A GP Units for new SIR Restaurants added to the Royalty Pooled Restaurants based on 80% of the initial estimated revenues and the formula defined in the Partnership Agreement. Additional Class B GP Units may be converted into Class A GP Units in respect of these new SIR Restaurants if actual revenues of the new SIR Restaurants exceeded 80% of the initial estimated revenues and the formula defined in the Partnership Agreement. Conversely, converted Class A GP Units would be returned by SIR if the actual revenues of the new SIR Restaurants are less than 80% of the initial estimated revenues. On January 1 of each year, SIR will reconvert the Class A GP Units received to Class B GP Units for the permanent closure of a SIR Restaurant.

In December of each year, an additional distribution will be payable to the Class B GP unitholders provided that actual revenues of the new SIR Restaurants exceed 80% of the initial estimated revenues, or there will be a reduction in the distributions to the Class A GP unitholders if revenues are less than 80% of the initial estimated revenues.

On January 1, 2023, two new SIR Restaurants were added (January 1, 2022 – nil) to Royalty Pooled Restaurants in accordance with the Partnership Agreement. There were no Second Incremental Adjustments on January 1, 2023 as no new SIR Restaurants were added to Royalty Pooled Restaurants on January 1, 2022 (January 1, 2021 – one). As consideration for the additional Royalty associated with the addition of two new SIR Restaurants added (January 1, 2022 – nil) to Royalty Pooled Restaurants on January 1, 2023, SIR converted its Class B GP Units into Class A GP Units based on the formulas defined in the Partnership Agreement. In addition, there was a re-conversion of Class A GP Units into Class B GP Units for the permanent closure of two (January 1, 2022 – five) SIR Restaurants during 2022. The net effect of these adjustments to Royalty Pooled Restaurants was that SIR converted 90,958 Class A GP Units into Class B GP Units (January 1, 2022 – 679,934) on January 1, 2023, increasing the value of the SIR rights by \$1,455,725 (January 1, 2022 – reducing the value of the SIR rights by \$8,100,078).

In addition, there were no conversion distributions effective in December 2022 as no new SIR Restaurants were added to Royalty Pooled Restaurants on January 1, 2022 (January 1, 2022 – revenues of one new SIR Restaurant added to Royalty Pooled Restaurants on January 1, 2021 were greater than 80% of the Initial Adjustment's estimated revenue and, as a result, a special conversion distribution of \$71,780 was declared on the Class B GP units in December 2021 and paid in January 2022).

Effective January 1, 2023, SIR residual interest in the Partnership is 12.54%.

Class A GP Units and Class B GP Units are held by SIR. Class A LP Units are held by SIR Holdings Trust, a direct subsidiary of the Fund.

### **Class C GP Units**

The holders of Class C GP Units are entitled to receive a cumulative preferential monthly cash distribution equal to \$0.063 per Class C GP Unit held, payable on the dates that distributions are paid on the units of the Fund.

SIR has the right to require the Fund to, indirectly, purchase the Class C GP Units and assume a portion of the SIR Loan as consideration for the acquisition of the Class C GP Units.

based on 6% of the revenues from certain SIR Restaurants subject to the Licence and Royalty Agreement between the Partnership and SIR. SIR makes 13 Royalty payments based on SIR's 13 four- or five-week period fiscal year and, as such, royalty payments can fluctuate depending on how the four- or five-week periods coincide with the Partnership's calendar fiscal year. On January 1 of each year (the Adjustment Date), the restaurants subject to the Licence and Royalty Agreement are adjusted for new restaurants opened for at least 60 days preceding such Adjustment Date in the previous fiscal year. At each Adjustment Date, SIR will be entitled to convert its Class B GP Units into Class A GP Units based on the conversion formula defined in the Partnership Agreement (note 4).

SIR began offering Renegade Chicken takeout and delivery services again on a trial basis as of January 27, 2022. The services were initially offered out of 21 Jack Astor's locations in Ontario, with two additional Jack Astor's locations added to the trial as of February 16, 2022. SIR has agreed to pay an amount equal to 6% of the revenues earned from the trial to the Partnership. The trial was initially scheduled to continue until March 31, 2022, at SIR's option. Effective March 29, 2022, SIR opted to extend the trial until August 28, 2022, but has reduced the number of Jack Astor's locations supporting the trial to eight locations. On August 29, 2022 and on December 15, 2022, respectively, the Trustees of the Fund approved a further extensions of the trial, under the existing terms, until December 31, 2022 and December 31, 2023, respectively. In exchange, SIR will continue to pay 6% of the revenues arising therefrom to the Partnership. The Renegade Chicken brand offers a variety of fried chicken sandwiches, fingers and wings, paired with freshly cut in-house fries, and is capitalizing on the emergence of fried chicken growth brands in the fast casual dining space.

The Partnership has entered into an arrangement with the Fund and the Trust whereby the Partnership will provide or arrange for the provision of services required in the administration of the Fund and the Trust. The Partnership has arranged for these services to be provided by SIR GP Inc. in its capacity as the Managing General Partner, or SIR as the General Partner. SIR, on behalf of SIR GP Inc., also provides services to the Partnership for its administration. For the year ended December 31, 2022, the Partnership provided these services to the Fund and the Trust for consideration of \$6,000 (three-month period ended March 31, 2022 - \$6,000), which was the amount of consideration agreed to by the related parties

## 7 Economic dependence

The Partnership earns substantially all of its revenues from SIR; accordingly, the Partnership is economically dependent on SIR.

SIR has a credit agreement (Credit Agreement), as amended on December 8, 2017, July 6, 2018, April 1, 2020, June 30, 2020, September 30, 2020, December 21, 2020, March 31, 2021, May 31, 2021 and June 16, 2022 with a Schedule I Canadian chartered bank (the Lender). As at February 12, 2023, the Credit Agreement between SIR and the Lender provided for a maximum principal amount of \$43,821,000 consisting of \$20,000,000 revolving term credit facility (Credit Facility 1), a \$11,958,000 revolving term loan (Credit Facility 2), a \$6,250,000 guaranteed facility with Economic Development Canada ("EDC") through the guaranteed Business Credit Availability Program ("BCAP") (EDC-Guaranteed Facility) and a \$5,613,000 Business Development Bank of Canada ("BDC") guaranteed Highly Affected Sectors Credit Availability Program ("HASCAP") facility (the "BDC-Guaranteed Facility"). SIR and the Lender have also entered into a purchase card agreement providing credit of up to an additional \$1,500,000. The Credit Agreement matures on July 6, 2023 ("Maturity Date").

Credit Facility 1 is for general corporate and operating purposes, including capital spending on new and renovated restaurants, bearing interest at the prime rate plus 3.25% and/or the bankers' acceptance rate plus 4.25%,

principal repaid in one bullet repayment on the Maturity Date. A standby fee of 0.85% is charged on the undrawn balance of Credit Facility 1. Provided SIR is in compliance with the Credit Agreement, the principal amount of Credit Facility 1 can be repaid and reborrowed at any time during the term of the credit agreement. As at February 12, 2023, \$4,500,000 was drawn on Credit Facility 1.

Credit Facility 2 bears interest at the prime rate plus 3.25% and/or the bankers' acceptance rate plus 4.25%. Each advance under Credit Facility 2 is repayable in equal quarterly instalments based on a seven year amortization, with the remaining outstanding balance due on the Maturity Date. As at February 12, 2023, \$11,958,000 was drawn on Credit Facility 2.

As at February 12, 2023, the Company had drawn \$15,019,000 on Credit Facility 1 and Credit Facility 2, net of cash excluding the cash balance of the Partnership (August 28, 2022 - \$7,530,000).

The EDC-Guaranteed Facility bears interest at the prime rate plus 3.5%. The EDC-Guaranteed Facility is a 364-day revolving-term credit facility and can be extended at the Lender's sole discretion, in 12 month increments, by a further 24 months beyond the current expiration date of July 6, 2023. A standby fee of 0.90% is charged on the undrawn balance of this facility. As at February 12, 2023, SIR had drawn \$6,250,000 on this facility.

The BDC-Guaranteed Facility is a 10-year revolving term credit facility, with one year principal payment moratorium, bearing a fixed rate interest of 4%. The moratorium has elapsed and SIR has commenced repayment on this facility. For the 24-week period ended February 12, 2023, SIR repaid \$347,000. As at February 12, 2023, \$5,613,000 was drawn on this facility. The Maturity Date of this facility was also extended to July 6, 2023.

The Credit Agreement is secured by substantially all of the assets of SIR and most of its subsidiaries, which are also guarantors. The Partnership and the Fund have not guaranteed the Credit Agreement. The Credit Agreement qualifies as "permitted indebtedness" within the meaning of the agreements between the Fund, the Partnership and SIR, and as a result the Fund and the Partnership have, as contemplated in the existing agreements, subordinated and postponed their claims against SIR to the claims of the Lender. The terms of the subordination are as contemplated in the previous agreements between the Fund, the Partnership and SIR. This subordination includes a subordination of the Partnership's rights under the License and Royalty Agreement between the Partnership and SIR whereby the Partnership licenses to SIR the right to use trademarks and related intellectual property in return for royalty payments based on revenues and will be effected pursuant to the terms of an Intercreditor Agreement.

Under the Intercreditor Agreement, absent any default or event of default under the Credit Agreement, ordinary payments to the Fund and the Partnership can continue and the Partnership can exercise any and all of its rights to preserve the trademarks and related intellectual property governed by the License and Royalty Agreement. However, if a default or an event of default were to occur, the Fund and the Partnership agree not to take actions on their security until the Lender has been repaid in full. However, payments by SIR, to the Fund and the Partnership, will be permitted for such amounts as are required to fund their monthly operating expenses, up to an annual limit. In addition, the Fund, the Partnership and SIR have the right, acting cooperatively, to reduce payments of Royalties and/or interest on the SIR Loan by up to 50% without triggering a cross default under the Credit Agreement for a period of up to nine consecutive months. SIR and each obligor provided an undertaking to cooperate and explore all options with the Fund to maximize value to the Fund's unitholders and SIR and its shareholders in exchange for the subordinating parties not demanding repayment or enforcing security as a result

of any such related party obligation default. The Intercreditor Agreement also contains various other typical covenants of the Fund and the Partnership in which they are compliant.

On June 16, 2022, SIR and its Lender entered into the Ninth Amending Agreement (“Ninth Amendment”) to its Credit Agreement. The Agreement provides for the following:

- extension of the Maturity Date from July 6, 2022 to July 6, 2023 of Credit Facilities 1 and 2,
- the Cumulative Minimum EBITDA financial covenant has been replaced by the two original, pre-pandemic financial covenants in the Credit Agreement, which are the Fixed Charge Coverage Ratio and the Senior Leverage Ratio, and
- extension of the \$6.25 million guaranteed facility with Export Development Canada (“EDC”) through the guaranteed Business Credit Availability Program (“BCAP”) (“EDC-Guaranteed Facility”) to the Maturity Date of the Credit Agreement – the EDC-Guaranteed Facility can be extended at the Lender’s sole discretion by a further 12 months.

This extension is intended to address SIR’s financial requirements, at least until the Maturity Date of July 6, 2023. There can be no assurance that borrowings will be available to SIR, or available on acceptable terms, beyond the Maturity Date, in an amount sufficient to fund SIR’s needs.

On June 16, 2022, as part of the Ninth Amendment, the Fund and the Partnership entered into an acknowledgement agreement with the Lender acknowledging, among other things:

- receipt of a copy of the Ninth Amendment, and
- that none of: entering the agreement, borrowing under the agreement, or performing any if the obligations under the agreement shall breach any of the terms or constitute an event of default under any of the Fund’s or the Partnership’s existing agreements with the Company.

SIR has the right to require the Fund to, indirectly, purchase the Class C GP Units and assume a portion of the SIR Loan as consideration for the acquisition of the Class C GP Units.
